- **Richard gave a brief overview of the committee**
 - **Talked about products that were submitted to the program**
- 1) Looking for more northern states to assist in evaluation of snow plowable pavement markers.**
- **Still looking for a state**
 - **Ohio has a lot of things on their plate and may not be able to accommodate more products**
 - **Going to wait to see how many submissions we get before we ask for volunteers**
- 2) Action Item**
 - **Some changes made to Work Plan about 2 years ago**
 - **No new Action Items**
- 3) Open Discussion**
 - **Going to reduce the number of conference calls to every 6 months.**
 - **Brad mentioned that the final evaluation for one of the products will be pushed from 24 to 22 months because the roadway is being repaired.**
 - **Not a lot going on, samples are out on roadways and in the midst of testing.**
 - **May want to consider a webinar instead of an in person meeting at the Annual Meeting.**
- 4) End**
