

SAPL Quarterly Call

Tuesday February 7, 2017 1 PM – 2:00 PM (EST)

Agenda

1. Status of Work Plan
 - a. The work plan is finalized and was sent out to ballot in November. Only a few comments were received from the ballot. All comments have been addressed at this time.
2. Committee Next Steps
 - a. A request for proposal needs to be sent out to any laboratories interested in testing SAPL for NTPEP.
 - b. The testing that will be requested to be completed is taken directly from the current work plan.
 - c. Action Item: Please send the name and contact information of any facilities that may be interested in testing SAPL for NTPEP to Ryan Fragapane, rfragapane@aaashto.org, by February 14, 2017.
 - d. Action Item: On February 15, 2017 Ryan will send out the request to proposal to any interested test facilities.
3. Annual Meeting Information
 - a. The NTPEP Annual Meeting will be held March 12th – 16th in Boston, MA at the Seaport Hotel.
 - b. SAPL technical committee will meet in person at the annual meeting on Wednesday March 15th from 1PM – 2PM.
 - c. If you are interested in attending the annual meeting please register as soon as possible.
4. Status of RFP for the pooled funded study for the “Structural Design Methodology for Spray Applied Pipe Liners in Gravity Storm Water Conveyance Conduits”
